ARTICLE 3—GRANT OF LICENSE

3.1 Grant of License—Subject to the terms of this License Agreement, ESRI grants to Licensee a personal, nonexclusive, nontransferable license to

Delivered Beta is confidential and proprietary to ESRI and contains trade secrets, inclusive of unpublished specifications. Licensee agrees to retain all Beta in confidence. Except for a "public" Beta Testing Program, Licensee shall maintain results of testing, performance statistics, errors, or any other quality issues encountered in confidence, and agrees not to disclose same to any third party. Beta is subject to change prior to its commercial release and may never be commercially released. Licensee acknowledges that such Beta is not suitable or licensed for full use and accepts all responsibility for use of the same and any results generated. Licensee may from time to time provide suggestions or comments regarding performance, usability or effectiveness, bug reports, test reports, or other feedback (collectively, "Feedback") to ESRI with respect to Beta. ESRI retains title to such comments and may freely use, disclose, reproduce, license, distribute, and otherwise commercialize any Feedback. A Beta Testing Program may have additional requirements. - d. Licensee may use, copy, or prepare derivative works of the Documentation supplied in digital format and thereafter reproduce, display, and redistribute the customized documentation only for Licensee's own internal use. The portion(s) of the Documentation supplied in digital format merged with other software and printed or digital documentation shall continue to be subject to the terms and conditions of this License Agreement and shall provide the following copyright attribution notice acknowledging the proprietary rights of ESRI and its licensor(s) in the Documentation supplied in digital format: "Portions of this document include intellectual property of ESRI and its licensor(s) and are used herein under license. Copyright © [*Insert the actual copyright date(s) from the source materials*] ESRI and its licensor(s). All rights reserved."

4.2 Uses Not Permitted

Licensee shall not act as a service bureau or commercial Application Service Provider (ASP) that allows third party access to the Software, Data, Web Services, and Documentation. A commercial ASP means a Licensee who uses Software, Data, Web Services, or Documentation for a site or service, and operates the site or the service for a profit, or generates revenue by charging for access to the site or service.

- c. Licensee shall not reverse engineer, decompile, or disassemble the Software, Data, Web Services, or Documentation, except to the extent that such activity is expressly permitted by applicable law notwithstanding this restriction.
- d. Except to the extent that applicable law prohibits this restriction, Licensee shall not make any attempt to circumvent the technological measure(s) that controls access to, or use of, the Software, Data, Web Services, and Documentation.
- e. Licensee shall not redistribute the Software registration number/license authorization file(s), developer license file(s), or Web Services access codes.
- f. Licensee shall not use the Software or Web Services to transfer or exchange any material where such transfer or exchange is prohibited by intellectual property laws or any other applicable laws.
- g. Licensee shall not remove or obscure any ESRI or its licensor(s) patent, copyright, trademark, or proprietary rights notices contained in or affixed to the Software, Data, Web Services, or Documentation.
- h. Licensee shall not unbundle individual or component parts of the Software or Data for independent use.

ARTICLE 5—TERM AND TERMINATION

The license is effective upon acceptance of this License Agreement and shall continue until (i) such time that Licensee elects in writing to discontinue use of the Software, Data, Web Services, or Documentation and terminates the license; (ii) expiration of a term license or subscription; or (iii) either party terminates the license for a material breach that is not cured within ten (10) days of written notice to the other party, except that termination is immediate for a material breach of a nature that it is impossible to cure. Upon termination of a license, Licensee shall (i) cease access and use of Web Services and clear Web Services client-side data cache or (ii) uninstall, remove, and destroy all Software, Data, and Documentation, and

any whole or partial copies, modifications, or merged portions in any form and execute and deliver evidence of such actions to ESRI.

ARTICLE 6—LIMITED WARRANTIES AND DISCLAIMERS

6.1 Limited Warranties—For a period of ninety (90) days from the date of receipt of Software authorization or keycode file(s) by Licensee, ESRI warrants that (i) the unmodified Software will substantially conform to the published Documentation and (ii) the media upon which the Software, Data, and Documentation is provided will be free from defects in materials and workmanship under normal use and service.

6.2 Data and Web Services Disclaimer—If included under this License Agreement, the Data and Web Services have been obtained from sources believed to be reliable, but the accuracy and completeness of the Data and Web Services are not guaranteed. The Data and Web Services may contain some nonconformities, defects, errors, or omissions. ESRI AND ITS LICENSOR(S) MAKE NO WARRANTY WITH RESPECT TO THE DATA AND WEB SERVICES AND ARE PROVIDED "AS IS." Without limiting the generality of the preceding sentence, ESRI and its licensor(s) do not warrant that the Data and Web Services will meet Licensee's needs or expectations, that the use of the Data and Web Services will be uninterrupted, or that all nonconformities can or will be corrected. ESRI and its licensor(s) are not inviting reliance on this Data or Web Services, and Licensee should always verify actual Data or Web Services.

6.3 Fault Tolerance Disclaimer

- a. The Software, Data, Web Services, and Documentation are not fault-tolerant and are not designed, manufactured, or intended for use or resale for use in insurance underwriting or with critical health and safety or online control equipment in hazardous environments that require fail-safe performance, such as in the operation of nuclear facilities, aircraft navigation, or communication systems, air traffic control, real-time emergency response, real-time terrorism prevention or response, life support, or weapons systems ("Fault-Intolerant Activities"). ESRI SPECIFICALLY DISCLAIMS ANY EXPRESS OR IMPLIED WARRANTY OF FITNESS FOR USE IN FAULT-INTOLERANT ACTIVITIES.
- b. To the extent permitted by law, Licensee agrees to indemnify, defend, and hold ESRI, its officers, directors, employees, agents, subcontractors, licensors, successors, and assigns harmless from and against any and all liability, losses, claims, expenses (including attorneys' fees), demands, or damages of any kind, including direct, indirect, special, punitive, incidental, or consequential damages, arising out of or in any way connected with Licensee's use or permitting the use by others of the Software, Web Services, and Data for Fault-Intolerant Activities. Delivery of the Software, Web Services, and Data does not constitute a waiver of the rights and obligations set forth in this Article.

6.4 Special Disclaimer—SAMPLE CODE, SAMPLE APPLICATION, SAMPLE EXTENSION, HOT FIXES, EVALUATION SOFTWARE, AND BETA ARE DELIVERED "AS IS" WITHOUT WARRANTY OF ANY KIND. LICENSEE ASSUMES ALL RISK AS TO THE QUALITY AND PERFORMANCE OF THE SAMPLE CODE, SAMPLE APPLICATION, SAMPLE EXTENSION, HOT FIXES, EVALUATION SOFTWARE, AND BETA.

6.5 Internet Disclaimer—BOTH PARTIES EXPRESSLY ACKNOWLEDGE AND AGREE THAT THE INTERNET IS A NETWORK OF PRIVATE AND PUBLIC NETWORKS, AND THAT (1) THE INTERNET IS NOT A SECURE INFRASTRUCTURE, (2) NEITHER PARTY HAS CONTROL OVER THE INTERNET, AND (3) NEITHER PARTY IS LIABLE FOR DAMAGES UNDER ANY THEORY OF LAW RELATED TO THE DISCONTINUANCE OF OPERATION OF ANY PORTION OF THE INTERNET OR POSSIBLE REGULATION OF THE INTERNET THAT MIGHT RESTRICT OR PROHIBIT THE OPERATION OF THE WEB SERVICE.

6.6 General Disclaimer—EXCEPT FOR THE ABOVE EXPRESS LIMITED WARRANTIES, ESRI DISCLAIMS ALL OTHER WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NONINTERFERENCE, SYSTEM INTEGRATION, AND NONINFRINGEMENT. ESRI DOES NOT WARRANT THAT THE SOFTWARE, DATA, WEB SERVICES, OR DOCUMENTATION WILL MEET LICENSEE'S NEEDS, OR THAT LICENSEE'S OPERATION OF THE SAME WILL BE UNINTERRUPTED OR ERROR FREE, OR THAT ALL NONCONFORMITIES CAN OR WILL BE CORRECTED.

6.7 Exclusive Remedy—Licensee's exclusive remedy and ESRI's entire liability for breach of the limited warranties set forth in this Article 6 shall be limited, at ESRI's sole discretion, to (i) replacement of any defective media; (ii) repair, correction, or a work-around for the Software subject to the ESRI Support Services Policy; or (iii) return of the license fees paid by Licensee for the Software or Documentation that does not meet ESRI's Limited Warranty, provided that Licensee uninstalls,

removes, and destroys all copies of the Software or Documentation and executes and delivers evidence of such actions to ESRI.

ARTICLE 7—LIMITATION OF LIABILITY

7.1 Disclaimer of Certain Types of Liability—ESRI AND ITS LICENSOR(S) SHALL NOT BE LIABLE TO LICENSEE FOR COSTS OF PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES; LOST PROFITS; LOST SALES OR BUSINESS EXPENDITURES; INVESTMENTS; COMMITMENTS IN CONNECTION WITH ANY BUSINESS; LOSS OF ANY GOODWILL, OR FOR ANY INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR RELATED TO THIS LICENSE AGREEMENT OR USE OF THE SOFTWARE, DATA, WEB SERVICES, OR DOCUMENTATION, HOWEVER CAUSED, ON ANY THEORY OF LIABILITY, AND WHETHER OR NOT ESRI OR ITS LICENSOR(S) HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE. THESE LIMITATIONS SHALL APPLY NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY.

7.2 General Limitation of Liability—EXCEPT AS PROVIDED IN ARTICLE 8—INFRINGEMENT INDEMNITY, ESRI'S TOTAL CUMULATIVE LIABILITY HEREUNDER, FROM ALL CAUSES OF ACTION OF ANY KIND, INCLUDING, BUT NOT LIMITED TO, CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, BREACH OF WARRANTY, MISREPRESENTATION, OR OTHERWISE, SHALL NOT EXCEED THE AMOUNTS PAID TO ESRI BY LICENSEE FOR SOFTWARE, DATA, WEB SERVICES, OR DOCUMENTATION PURSUANT TO THIS LICENSE AGREEMENT.

7.3 Applicability of Disclaimers and Limitations—Licensee agrees that the limitations of liability and disclaimers set forth in this License Agreement will apply regardless of whether Licensee has accepted the Software, Data, Web Services, or Documentation or any other product or service delivered by ESRI. The parties agree that ESRI has set its prices and entered into this License Agreement in reliance upon the disclaimers and limitations set forth herein, that the same reflect an allocation of risk between the parties (including the risk that a contract remedy may fail of its essential purpose and cause consequential loss), and that the same form an essential basis of the bargain between the parties.

ARTICLE 8—INFRINGEMENT INDEMNITY

8.1 ESRI shall defend, indemnify, and hold harmless Licensee from and against any loss, liability, cost, or expense, including reasonable attorneys' fees, which may be incurred by Licensee against any claims, actions, or demands by a third party alleging that the Software, Data, or Documentation infringes a U.S. patent, copyright, or trademark provided

- a. Licensee promptly notifies ESRI in writing of the claim thereof;
- b. ESRI has sole control of the defense of any actions and negotiations related to the defense or settlement of any claim; and
- c. Licensee cooperates fully in the defense of the claim.

8.2 If ESRI believes that the Software, Data, or Documentation is or will become the subject of an infringement claim, or in the event that use of the Software, Data, or Documentation is enjoined, ESRI, at its own expense, may either (i) obtain the right for Licensee to continue using the Software, Data, or Documentation or (ii) modify the Software, Data, or Documentation to make it noninfringing while maintaining substantially similar software functionality or data/informational content. If neither of such alternatives is commercially reasonable, the infringing items shall be returned to ESRI, the license shall terminate, and ESRI's sole liability shall be to indemnify Licensee pursuant to Article 8.1 and refund license fees paid by Licensee prorated on a five (5) year, straight line depreciation basis beginning from the initial date of delivery.

8.3 ESRI shall have no obligation hereunder to defend Licensee or to pay any resulting costs, damages, or reasonable attorneys' fees for or with respect to any claims, actions, or demands alleging (i) infringement that arises by reason of combination of noninfringing items, however acquired, with any items not supplied by ESRI; (ii) infringement to the extent arising from material alteration of the Software, Data, or Documentation by anyone other than ESRI, its agents, or its contractors; (iii) the direct or contributory infringement of any process patent by Licensee through the use of the Software, Data, or Documentation other than a process patent that is necessarily infringed by the internal processes executed within the Software or Data itself when the Software or Data is executed for its intended purpose; (iv) continued allegedly infringing activity by Licensee after it has been notified of the possible infringement; or (v) continued allegedly infringing activity by Licensee to the extent it arises from failure of Licensee to use the updated or modified Software, Data, or Documentation provided by ESRI for avoiding infringement.

THE FOREGOING STATES THE ENTIRE OBLIGATION OF ESRI WITH RESPECT TO INFRINGEMENT OR ALLEGATION OF INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS OF ANY THIRD PARTY.

ARTICLE 9—GENERAL PROVISIONS

9.1 Future Orders—All Software, Data, Web Services, Documentation, or maintenance orders placed within one (1) year of this License Agreement's execution date shall be licensed under the terms of this License Agreement, except that new Software, Data, Web Services, and Documentation commercially released during that year may require additional terms. Orders placed and Software, Data, Web Services, and Documentation or updates provided after that time shall be governed by the then-current General License Terms and Conditions and Exhibit 1, the terms of which will be indicated on ESRI's Web site, included with a quote, or included with the deliverable Software, Data, Web Services, or Documentation.

9.2 Export Control Regulations—Licensee expressly acknowledges and agrees that Licensee shall not export, reexport, or provide the Software, Data, Web Services, or Documentation, in whole or in part, to (i) any country to which the United States has embargoed goods; (ii) any person on the U.S. Treasury Department's list of Specially Designated Nationals; (iii) any person or entity on the U.S. Commerce Department's Table of Denial Orders; or (iv) any person or entity where such export, reexport, or provision violates any U.S. export control laws or regulations including amendments and supplemental additions as they may occur from time to time. Licensee shall not export the Software, Data, Web Services, and/or Documentation or any underlying information or technology to any facility in violation of these or other applicable laws and regulations including, but not limited to, the terms of any export license or licensing provision. Licensee represents and warrants that it or its employees, consultants, or customers who gain access to the Software, Data, Web Services, or Documentation are not a national, resident, located in or under the control of, or acting on behalf of any person, entity, or country subject to such U.S. export controls.

9.3 Taxes and Fees, Shipping Charges—License fees quoted to Licensee are exclusive of any and all taxes or fees including, but not limited to, sales tax, use tax, value-added tax (VAT), customs, duties, or tariffs, and shipping and handling charges.

9.4 No Implied Waivers—The failure of either party to enforce any provision of this License Agreement shall not be deemed a waiver of the provisions or of the right of such party thereafter to enforce that or any other provision.

9.5 Severability—The parties mutually agree that if any provision of this License Agreement is held to be unenforceable for any reason, such provision shall be reformed only to the extent necessary to make the intent of the language enforceable.

9.6 Counterparts—This License Agreement may be executed in counterparts, all of which, taken together, shall be deemed one (1) original document.

9.7 Successor and Assigns—Licensee shall not assign, sublicense, or transfer Licensee's rights or delegate its obligations under this License Agreement without ESRI's prior written consent, and any attempt to do so without consent shall be void. This License Agreement shall be binding upon the respective successors and assigns of the parties to this License Agreement. Notwithstanding, a Government contractor that has acquired Software, Data, Web Services, or Documentation under contract to the Government may assign its rights under this License Agreement to its Government customer upon written notice to ESRI provided the Government customer assents to the terms of this License Agreement.

9.8 Survival of Terms—The provisions of Articles 2, 5, 6, 7, 8, and 9 of this License Agreement shall survive the expiration or termination of this License Agreement.

9.9 Equitable Relief—Licensee agrees that any breach of this License Agreement by Licensee may cause irreparable damage and that, in the event of such breach, in addition to any and all remedies at law, ESRI shall have the right to seek an injunction, specific performance, or other equitable relief in any court of competent jurisdiction without the requirement of posting a bond or undertaking or proving injury as a condition for relief.

9.10 Government Licensee—The Software, Data, Web Services, and Documentation are commercial computer software, commercial data, commercial computer software documentation, and commercial Web Services. This License Agreement contains ESRI's commercial license terms and conditions for such items. The commercial license rights in this License Agreement strictly govern Licensee's use, reproduction, or disclosure of the Software, Data, Web Services, and Documentation. No other license terms or conditions shall apply unless expressly agreed in writing by ESRI and Licensee. ESRI Software source code is unpublished and all rights to the Software, Data, Web Services, and Documentation are

reserved under copyright laws of the United States. In the event any court, arbitrator, or board holds that the Licensee has greater rights to any portion of the Software, Data, Web Services, or Documentation under applicable public procurement law, such rights shall extend only to the portions affected, and use, duplication, or disclosure by the Licensee is subject to restrictions as provided in FAR 52.227-19 (June 1987), FAR 52.227-14 (ALT III) (June 1987), DFARS 252.227-7015 (NOV 1995), or NFS 1852.227-86 (December 1987), or the local, state, or foreign equivalent, as applicable.

9.11 Governing Law, Arbitration

- a. *Licensees in the United States of America, Its Territories, and Outlying Areas*—This License Agreement shall be governed by and construed in accordance with the laws of the State of California without reference to conflict of laws principles. Except as provided in Article 9.9, any dispute arising out of or relating to this License Agreement, or the breach thereof, which cannot be settled through negotiation, shall be finally settled by arbitration administered by the American Arbitration Association under its Commercial Arbitration Rules. Judgment on the award rendered by the arbitrator may be entered in a court of competent jurisdiction. If Licensee is a U.S. Government agency, this License Agreement is subject to the Contract Disputes Act of 1978, as amended (41 U.S.C. 601–613), in lieu of the Arbitration provisions of this clause.
- b. *All Other Licensees*—Except as provided in Article 9.9, any dispute arising out of, or relating to, this License Agreement or the breach thereof, which cannot be settled through negotiation, shall be finally settled under the Rules of Arbitration of the International Chamber of Commerce by one (1) arbitrator appointed in accordance with said Rules. The language of the arbitration shall be in English. The place of the arbitration shall be at a mutually agreed location. This License Agreement shall not be governed by the United Nations Convention on Contracts for the International Sale of Goods, the application of which is expressly excluded. Either party shall, at the request of the other, make available documents or witnesses relevant to the major aspects of the dispute.
